

OFFICE OF THE STATE CONTROLLER
STATE MANDATED COSTS CLAIMING INSTRUCTIONS NO. 2006-17
HIGH SCHOOL EXIT EXAM
JULY 5, 2006
Revised January 23, 2009

In accordance with Government Code (GC) Section 17561, eligible claimants may submit claims to the State Controller's Office (SCO) for reimbursement of costs incurred for state mandated cost programs. The following are claiming instructions and forms that eligible claimants will use for the filing of claims for the High School Exit Examination (HSEE) program. These claiming instructions are issued subsequent to the adoption of the program's parameters and guidelines (P's and G's) by the Commission on State Mandates (CSM).

On March 25, 2004, CSM determined that test claim legislation for this program established costs mandated by the State according to the provisions listed in the P's and G's. For your reference, the P's and G's are included as an integral part of the claiming instructions.

Eligible Claimants

With the exception of community colleges, any school district, as defined in GC § 17519, that incurs increased costs as a direct result of this mandate is eligible to claim reimbursement of these costs.

Reimbursement Claims

A reimbursement claim is defined in GC Section 17522 as any claim filed with SCO by a school district for reimbursement of costs incurred for which an appropriation is made for the purpose of paying the claim. In order for a claim to be considered properly filed, it must include any specific supporting documentation requested in the instructions.

Estimated Claims

Pursuant to AB 8, Chapter 6, Statutes of 2008, the option to file estimated claims has been eliminated. Therefore, estimated claims filed on or after February 16, 2008, will not be accepted by SCO.

Filing Deadlines

An actual claim for the 2007-08 fiscal year, may be filed by February 17, 2009, without a late penalty. Claims filed after the deadline will be reduced by a late penalty of 10%, not to exceed \$10,000. However, initial reimbursement claims will be reduced by a late penalty of 10% with no limitation. Claims filed more than one year after the deadline will not be accepted.

Minimum Claim Cost

GC Section 17564(a) provides that no claim may be filed pursuant to Sections 17551 and 17561, unless such a claim exceeds one thousand dollars (\$1,000), provided that a county superintendent of schools may submit a combined claim on behalf of school districts within their county if the

combined claim exceeds \$1,000, even if each of the individual school district's claim does not exceed \$1,000. The county superintendent of schools must determine if the submission of the combined claim is economically feasible and will be responsible for disbursing the funds to each school district. These combined claims may be filed only when the county superintendent of schools is the fiscal agent for the school districts. A combined claim must show the individual claim costs for each eligible school district. All subsequent claims based upon the same mandate shall only be filed in the combined form unless a school district provides a written notice of its intent to file a separate claim to the county superintendent of schools, and to SCO, at least 180 days prior to the deadline for filing the claim.

Reimbursement Claims

Initial reimbursement claims will only be reimbursed to the extent that expenditures can be supported and if such information is unavailable, claims will be reduced. In addition, ongoing reimbursement claims must be supported by documentation as evidence of the expenditures. Examples of documentation may include, but are not limited to, employee time records that identify mandate activities, payroll records, invoices, receipts, contracts, travel expense vouchers, purchase orders, and caseload statistics.

Audit of Costs

All claims submitted to SCO are reviewed to determine if costs are related to the mandate, are reasonable and not excessive, and the claim was prepared in accordance with SCO's claiming instructions and the P's & G's adopted by CSM. If any adjustments are made to a claim, a "Notice of Claim Adjustment" specifying the claim activity adjusted, the amount adjusted, and the reason for the adjustment, will be mailed within 30 days after payment of the claim.

Pursuant to GC Section 17558.5, subdivision (a), a reimbursement claim for actual costs filed by a school district pursuant to this chapter is subject to the initiation of an audit by SCO no later than three years after the date that the actual reimbursement claim is filed or last amended, whichever is later. However, if no funds are appropriated or no payment is made to a claimant for the program for the fiscal year for which the claim is filed, the time for SCO to initiate an audit shall commence to run from the date of initial payment of the claim. All documents used to support the reimbursable activities must be retained during the period subject to audit. If an audit has been initiated by SCO during the period subject to audit, the retention period is extended until the ultimate resolution of any audit findings.

On-site audits will be conducted by SCO as deemed necessary. Accordingly, all documentation to support actual costs claimed must be retained for a period of three years after the end of the calendar year in which the reimbursement claim was filed or amended regardless of the year of costs incurred. When no funds are appropriated for initial claims at the time the claim is filed, supporting documents must be retained for three years from the date of initial payment of the claim. Claim documentation shall be made available to SCO on request.

Retention of Claiming Instructions

The claiming instructions and forms in this package should be retained permanently in your Mandated Cost Manual for future reference and use in filing claims. These forms should be duplicated to meet your filing requirements. You will be notified of updated forms or changes to claiming instructions as necessary.

Questions or requests for hard copies of these instructions should be faxed to Angie Lowi-Teng at (916) 323-6527 or e-mailed to **LRSDAR@sco.ca.gov** or, if you wish, you may call Angie of the Local Reimbursements Section at (916) 323-0706.

High School Exit Examination (00-TC-06)

Trinity Union High School District, Claimant

I. SUMMARY OF THE MANDATE

On March 25, 2004, the Commission on State Mandates (Commission) adopted the Statement of Decision for the *High School Exit Examination* (00-TC-06) program. The Commission found that Education Code sections 60850, 60851, 60853, and 60855 as added in 1999 along with California Code of Regulations, Title 5, sections 1200-1225 that became effective in 2001 and 2003 constitute a new program or higher level of service and impose a reimbursable state-mandated program upon school districts within the meaning of article XIII B, section 6, of the California Constitution and Government Code section 17514. The regulations were amended in May 2004 and August 2005 to add additional activities which were not included in the test claim decision and are not reimbursable under these parameters and guidelines. The Commission approved this test claim for the following reimbursable activities:

Adequate notice: notifying parents of *transfer* students who enroll after the first semester or quarter of the regular school term that, commencing with the 2003-04 school year, and each school year thereafter, each pupil completing 12th grade will be required to successfully pass the High School Exit Exam (HSEE).

Documentation of adequate notice: maintaining documentation that the parent or guardian of each pupil received written notification of the HSEE.

Determining English language skills: determining whether English-learning pupils possess sufficient English language skills at the time of the HSEE to be assessed with the HSEE.

HSEE administration: administration of the HSEE, on designated dates to specified pupils, excluding a teacher's time administering the HSEE.

Test security/cheating: maintaining test security.

Reporting data to the Superintendent of Public Instruction (SPI): providing specific HSEE data on each pupil to the SPI or independent evaluators or the publisher.

The Commission denied any remaining alleged costs or activities, as identified on Attachment A, because they do not impose a new program or higher level of service, and do not impose costs mandated by the state.

II. ELIGIBLE CLAIMANTS

Any “school district” as defined in Government Code section 17519, except for community colleges, which incurs increased costs as a direct result of this reimbursable state-mandated program is eligible to claim reimbursement of those costs. Charter schools are not eligible claimants.

III. PERIOD OF REIMBURSEMENT

Government Code section 17557 states that a test claim must be submitted on or before June 30 following a given fiscal year to establish eligibility for that fiscal year. The test claim for this mandate was filed on January 25, 2001. Therefore, the costs incurred for compliance with Statutes of 1999x, Chapter 1 and Statutes of 1999, Chapter 135 are eligible for reimbursement on or after July 1, 2000.

Actual costs for one fiscal year should be included in each claim. Estimated costs for the subsequent year may be included on the same claim, if applicable. Pursuant to Government Code section 17561, subdivision (d)(2), all claims for reimbursement of initial fiscal year costs shall be submitted to the State Controller within 120 days of the issuance date for the claiming instructions.

If the total costs for a given fiscal year do not exceed \$1,000, no reimbursement shall be allowed, except as otherwise allowed by Government Code section 17564.

IV. REIMBURSABLE ACTIVITIES

To be eligible for mandated cost reimbursement for any fiscal year, only actual costs may be claimed. Actual costs are those costs actually incurred to implement the mandated activities. Actual costs must be traceable and supported by source documents that show the validity of such costs, when they were incurred, and their relationship to the reimbursable activities. A source document is a document created at or near the same time the actual cost was incurred for the event or activity in question. Source documents may include, but are not limited to, employee time records or time logs, sign-in sheets, invoices, and receipts.

Evidence corroborating the source documents may include, but is not limited to, worksheets, cost allocation reports (system generated), purchase orders, contracts, agendas, and declarations. Declarations must include a certification or declaration stating, “I certify (or declare) under penalty of perjury under the laws of the State of California that the foregoing is true and correct,” and must further comply with the requirements of Code of Civil Procedure section 2015.5. Evidence corroborating the source documents may include data relevant to the reimbursable activities otherwise in compliance with local, state, and federal government requirements. However, corroborating documents cannot be substituted for source documents.

The claimant is only allowed to claim and be reimbursed for increased costs for the reimbursable activities identified below. Increased cost is limited to the cost of an activity that the claimant is required to incur as a result of the mandate.

For each eligible claimant, the following activities are reimbursable:

- A. **Adequate notice:** Notifying parents of *transfer* students who enroll after the first semester or quarter of the regular school term that, commencing with the 2003-04 school year, and each school year thereafter, each pupil completing 12th grade will be required to successfully pass the HSEE. The notification shall include, at a minimum, the date of the

HSEE, the requirements for passing the HSEE, the consequences of not passing the HSEE, and that passing the HSEE is a condition of graduation (Ed. Code, § 60850, subds. (e)(1) & (f)(1)). Reimbursement is provided for notices delivered by the student or by U.S. Mail.

- B. Documentation of adequate notice:** Maintaining documentation that the parent or guardian of each pupil received written notification of the HSEE. (Cal. Code Regs., tit. 5, § 1208.) Documentation may include a written copy of the notice or a record of mailing the notice.
- C. Determining English language skills:** Determining whether English-learning pupils¹ possess sufficient English language skills at the time of the HSEE to be assessed² with the HSEE (Cal. Code Regs., tit. 5, § 1217.)
- D. HSEE administration:** Administration of the HSEE on SPI designated dates to all pupils in grade 10 beginning in the 2001-2002 school year, and subsequent administrations for students who do not pass until each section of the HSEE has been passed, and administration of the HSEE on SPI designated dates to pupils in grade 9 only in the 2000-2001 school year who wish to take the HSEE (Ed. Code, § 60851, subd. (a)).

A teacher's time administering the HSEE during the school day is not reimbursable for any of the following activities. Administration is limited to the following activities specified in the regulations:

1. Training a test examiner either by a test site or district coordinator as provided in the test publisher's manual (Cal. Code Regs., tit. 5, §§ 1200, subd. (g) and 1210, subd. (c)(3)).
2. Allowing pupils to have additional time to complete the HSEE within the test security limits provided in section 1211, but only if additional time is not specified in the pupil's Individual Education Program (IEP) (§ 1215, subd. (a)(1)).
3. Accurately identifying eligible pupils who take the HSEE by school personnel at the test site through the use of photo-identification, positive recognition by the test examiner, or some equivalent means of identification. (Cal. Code Regs., tit. 5, § 1203.)
4. Maintaining a record of all pupils who participate in each test cycle of the HSEE, including the date each section was offered, the name and grade level of each pupil who took each section, and whether each pupil passed or did not pass the section or sections of the HSEE taken. (Cal. Code Regs., tit. 5, § 1205.)
5. Maintaining in each pupil's permanent record and entering in it prior to the subsequent test cycle the following: the date the pupil took each section of the HSEE and whether or not the pupil passed each section of the HSEE. (Cal. Code Regs., tit. 5, § 1206.)
6. Designation by the district superintendent, on or before July 1 of each year, of a district employee as the HSEE district coordinator, and notifying the publisher of

(Cal. Code Regs., tit. 5, § 1209.)
8. Designation annually by the district superintendent a HSEE test site coordinator for each test site (as defined) from among the employees of the school district who is to be available to the HSEE district coordinator to resolve issues that arise as a result of administration of the HSEE. (Cal. Code Regs., tit. 5, § 1210.)
9. The HSEE district coordinator's duties listed in section 1209 and referenced below.

The principal's activities may or may not be reimbursable, depending on whether the principal is acting as an HSEE district or test-site coordinator or test examiner.

11. Delivery of HSEE booklets to the school test site no more than two working days before the test is to be administered. (Cal. Code Regs., tit. 5, § 1212.) **This activity was repealed on May 19, 2004, therefore this activity is not reimbursable after May 18, 2004.**

E. Test security/cheating: Doing the following to maintain security:

1. For HSEE test site coordinators to ensure that strict supervision is maintained over each pupil being administered the HSEE, both while in the testing room and during any breaks (§ 1210, subd. (c)(7)(B)).

3. Having all HSEE district and test site coordinators sign the HSEE Test Security Agreement set forth in subdivision (b) of section 1211.5 of the title 5 regulations. (Cal. Code Regs., tit. 5, § 1210, subd. (c)(5).)
4. Abiding by the Test Security Agreement by limiting access to persons in the district with a responsible, professional interest in the test's security. The Agreement also requires the coordinator to keep on file the names of persons having access to exam and test materials, and who are required to sign the HSEE Test Security Affidavit, and requires coordinators to keep the tests and test materials in a secure, locked location, limiting access to those responsible for test security, except on actual testing dates. (Cal. Code Regs., tit. 5, § 1210 (c)(5), § 1211, subd. (a), § 1211.5 (b)(4).)

5. HSEE test site coordinators deliver the exams and test materials only to those actually administering the exam on the date of testing and only on execution of the HSEE Test Security Affidavit (Cal. Code Regs., tit. 5, § 1210, subd. (c)(7)(A)).
6. For persons with access to the HSEE (including test site coordinators and testexaminers) to acknowledge the limited purpose of their access to the test by signing the HSEE Test Security Affidavit set forth in subdivision (g). (Cal. Code Regs., tit. 5, § 1211.5, subd. (c).)

10. Not scoring the test for any pupil found to have cheated or assisted others in cheating, or who has compromised the security of the HSEE, and notifying each eligible pupil before administration of the HSEE of these consequences of cheating. (Cal. Code Regs., tit. 5, § 1220.)

F. Reporting data to the SPI: Providing HSEE data to the SPI or independent evaluators or the publisher is reimbursable. Specifically, providing the following information on each pupil tested: (1) date of birth, (2) grade level, (3) gender, (4) language fluency and home language, (5) special program participation, (6) participation in free or reduced priced meals, (7) enrolled in a school that qualifies for assistance under Title 1 of the Improving America's School Act of 1994, (8) testing accommodations, (9) handicapping condition or disability, (10) ethnicity, (11) district mobility, (12) parent education, (13) post-high school plans. (§ 1207); and reporting to the CDE the number of examinations for each test cycle within 10 working days of completion of each test cycle in the school district, and for the district superintendent to certify the accuracy of this information submitted to CDE (§ 1207).

The regulation (§1207) was amended in May 2004 and August 2005 to add the following data that must be submitted to the state (which are not reimbursable under these parameters and guidelines): (1) pupil's full name; (2) date of English proficiency reclassification; (3) if R-FEP pupil scored proficient or above on the California English-Language Arts Standards Test three (3) times since reclassification; (4) use of modifications during the exam [accommodations are reimbursed]; (5) participation in California Alternate Performance Assessment (CAPA); (6) school and district CBEDS enrollment; (7) district and county of residence for students with disabilities; (8) California School Information Services (CSIS) Student Number, once assigned.

V. CLAIM PREPARATION AND SUBMISSION

Each of the following cost elements must be identified for each reimbursable activity identified in Section IV, Reimbursable Activities, of this document. Each claimed reimbursable cost must be supported by source documentation as described in Section IV. Additionally, each reimbursable claim must be filed in a timely manner.

A. Direct Cost Reporting

Direct costs are those costs incurred specifically for the reimbursable activities. The following direct costs are eligible for reimbursement.

1. Salaries and Benefits

Report each employee implementing the reimbursable activities by name, job classification, and productive hourly rate (total wages and related benefits divided by productive hours). Describe the specific reimbursable activities performed and the hours devoted to each reimbursable activity performed.

2. Materials and Supplies

Report the cost of materials and supplies that have been consumed or expended for the purpose of the reimbursable activities. Purchases shall be claimed at the actual price after deducting discounts, rebates, and allowances received by the claimant. Supplies that are withdrawn from inventory shall be charged on an appropriate and recognized method of costing, consistently applied.

3. Contracted Services

Report the name of the contractor and services performed to implement the reimbursable activities. Attach a copy of the contract to the claim. If the contractor bills for time and materials, report the number of hours spent on the activities and all costs charged. If the contract is a fixed price, report the dates when services were performed and itemize all costs for those services.

4. Fixed Assets and Equipment

Report the purchase price paid for fixed assets and equipment (including computers) necessary to implement the reimbursable activities. The purchase price includes taxes, delivery costs, and installation costs. If the fixed asset or equipment is also used for purposes other than the reimbursable activities, only the pro-rata portion of the purchase price used to implement the reimbursable activities can be claimed.

5. Travel

Report the name of the employee traveling for the purpose of the reimbursable activities. Include the date of travel, destination point, the specific reimbursable activity requiring travel, and related travel expenses reimbursed to the employee in compliance with the rules of the local jurisdiction. Report employee travel time according to the rules of cost element A.1, Salaries and Benefits, for each applicable reimbursable activity.

6. Training

Report the cost of training an employee to perform the reimbursable activities, as specified in Section IV of this document. Report the name and job classification of each

employee preparing for, attending, and/or conducting training necessary to implement the reimbursable activities. Provide the title, subject, and purpose (related to the mandate of the training session), dates attended, and location. If the training encompasses subjects broader than the reimbursable activities, only the pro-rata portion can be claimed. Report employee training time for each applicable reimbursable activity according to the rules of cost element A.1, Salaries and Benefits, and A.2, Materials and Supplies. Report the cost of consultants who conduct the training according to the rules of cost element A.3, Contracted Services.

B. Indirect Cost Rates

Indirect costs are costs that have been incurred for common or joint purposes. These costs benefit more than one cost objective and cannot be readily identified with a particular final cost objective without effort disproportionate to the results achieved. After direct costs have been determined and assigned to other activities, as appropriate, indirect costs are those remaining to be allocated to benefited cost objectives. A cost may not be allocated as an indirect cost if any other cost incurred for the same purpose, in like circumstances, has been claimed as a direct cost.

Indirect costs include: (a) the indirect costs originating in each department or agency of the governmental unit carrying out state mandated programs, and (b) the costs of central governmental services distributed through the central service cost allocation plan and not otherwise treated as direct costs.

School districts must use the J-380 (or subsequent replacement) non-restrictive indirect cost rate provisionally approved by the California Department of Education.

County offices of education must use the J-580 (or subsequent replacement) non-restrictive indirect cost rate provisionally approved by the California Department of Education.

VI. RECORD RETENTION

Pursuant to Government Code section 17558.5, subdivision (a), a reimbursement claim for actual costs filed by a local agency or school district pursuant to this chapter³ is subject to the initiation of an audit by the State Controller no later than three years after the date that the actual reimbursement claim is filed or last amended, whichever is later. However, if no funds are appropriated or no payment is made to a claimant for the program for the fiscal year for which the claim is filed, the time for the Controller to initiate an audit shall commence to run from the date of initial payment of the claim. In any case, an audit shall be completed not later than two years after the date that the audit is commenced. All documentation used to support the reimbursable activities, as described in Section IV, must be retained during the period subject to audit. If an audit has been initiated by the Controller during the period subject to audit, the retention period is extended until the ultimate resolution of any audit findings.

VII. OFFSETTING SAVINGS AND REIMBURSEMENTS

Any offsetting savings the claimant experiences in the same program as a result of the same statutes or executive orders found to contain the mandate shall be deducted from the costs claimed. In addition, reimbursement for this mandate from any source, including, but not limited to, service fees collected, federal funds, and other state funds shall be identified and deducted from this claim.

³ This refers to Title 2, division 4, part 7, chapter 4 of the Government Code.

Reimbursement shall be offset by funding provided in the State Budget for the HSEE Program.

VIII. STATE CONTROLLER'S CLAIMING INSTRUCTIONS

Pursuant to Government Code section 17558, subdivision (c), the Controller shall issue claiming instructions for each mandate that requires state reimbursement no later than 60 days after receiving the adopted parameters and guidelines from the Commission, to assist local agencies and school districts in claiming costs to be reimbursed. The claiming instructions shall be derived from the test claim decision and the parameters and guidelines adopted by the Commission.

Pursuant to Government Code section 17561, subdivision (d)(2), issuance of the claiming instructions shall constitute notice of the right of local agencies and schools districts to file reimbursement claims, based upon parameters and guidelines adopted by the Commission.

IX. REMEDIES BEFORE THE COMMISSION

Upon request of a local agency or school district, the Commission shall review the claiming instructions issued by the State Controller or any other authorized state agency for reimbursement of mandated costs pursuant to Government Code section 17571. If the Commission determines that the claiming instructions do not conform to the parameters and guidelines, the Commission shall direct the Controller to modify the claiming instructions and the Controller shall modify the claiming instructions to conform to the parameters and guidelines as directed by the Commission.

In addition, requests may be made to amend parameters and guidelines pursuant to Government Code section 17557, subdivision (d), and California Code of Regulations, title 2, section 1183.2.

X. LEGAL AND FACTUAL BASIS FOR THE PARAMETERS AND GUIDELINES

The Statement of Decision is legally binding on all parties and provides the legal and factual basis for the parameters and guidelines. The support for the legal and factual findings is found in the administrative record for the test claim. The administrative record, including the Statement of Decision, is on file with the Commission.
